Appointments and Prescription Online Service

Enjoy the convenience of online services with the ability to interact with Stockwood Medical Centre. Using the Patient Access website on your computer or mobile, you can order repeat prescriptions or book and cancel appointments.

You can create an account at <https://www.patientaccess.com/>. We will provide you with a registration letter or registration email containing information that will enable you to link your account to Stockwood Medical Centre. Please call into the surgery if you would like assistance.

In order to sign up to this service, please complete the details below and return this form to Reception with proof of ID containing your date of birth and/or photo.
